

Industry Day – Agenda

- | | |
|-------------------------|---------------|
| • 10:00 AM | Networking |
| • 10:30 AM | Presentations |
| • 11:30 AM | Networking |
| • 12:00 Noon to 2:00 PM | Walking Tour |

Directions for the walking tour to view H Street Underpass and/or H Street Bridge NE (see map):

- Participants should exit the Columbus Club and walk across the main hall through the West wing, out the doors and across the currently closed garage exit ramp.
- Turn right and go about 2 blocks north along 1st Street past Casey's Coffee to the opening of the H Street underpass on the right.

To view the H St. bridge reverse the above to return to Union Station:

- Cross back through Union Station and take the escalator by the train gates and follow signs for the DC Streetcar. Go out the doors, up more escalators and through the parking garage to the Union Station Streetcar Stop.

We ask that participants be aware of other users of Union Station and sidewalks in the area. Take care when crossing roads and cycle lanes. DDOT Traffic Control Officers will be stationed at key locations to assist with directions and crossing of roads.

Entrance to the underpass is on 1st Street, NE beneath the bridge.

Street Car pedestrian access walkway ends at the bridge.

Take escalators up and follow signs thru the parking garage to DC Streetcar Stop on the bridge.

Turn Right on 1st Street and head about 2 blocks down to door of the underpass.

Leave Columbus Club and walk across the main hall and out the West Wing door.
