I am Drew Wende the owner and operator of the food truck Dorothy Moons Gourmet Burgers.

I'll get right to the point. If these new regs are passed it will devastate not only my business but the nearly 120+ food truck businesses around the city. I employ 3 people not including myself. These regs will easily take more than 250 jobs away from DMV citizens in a down economy. I use DC bookkeepers and mechanics as well as local produce for the business. And not to mention my food truck has made it possible to entertain the idea of a brick and mortar location for Dorothy Moon.
