

November 9, 2012

The ten foot rule should be enforced immediately and no exceptions should be granted for popular locations. We pay taxes just like the vendors and their customers who live outside of DC. WE deserve the right to walk on the sidewalks and to have up to twenty trucks parked around Farugaut park is redicolous. NO EXCEPTIONS SHOULD BE MADE FOR VENDORS AND CUSTOMERS WHO LIVE OUTSIDE OF DC. YOU SHOULD ALSO BE LOOKING AT A COMMUTER TAX.

Eddie Harris
